

Problem of the Week

Problem #2

Due 02/12/16

Fill in so that 1-9 each appear exactly once in each row, column and snake.

	5				1
2					4
6				8	7
				3	5
			1		
	6	7			
	4	6			7
1					3
5				2	

Submit your work and solution at the next Talk Math 2 Me with your name, student ID (A00...), major, what math course you are currently taking, and email.
